A Word to Parents About Southbound '19

The SouthBound trip is a large event sponsored by Campus Life, a division of Youth for Christ/ Youth Unlimited. Campus Life exists for the purpose of assisting youth in developing as a whole person, working with them to achieve a balanced life (mental, physical, social and spiritual).

SouthBound 2019 is a week long trip to Florida. We travel 26 hours on air-conditioned highway coach buses, and stay at Camp Gilead, Polk City. The camp facility is our base for six days and five nights in Florida.

All of the meals at the camp are included in the registration fee. Day trips will be made to a Gulf beach, Orlando attractions and shopping trips in the area. On all of these day trips, including the bus ride there and back again, teens are responsible to purchase their own meals.

Admission to attractions are not included and teens must come prepared to pay an additional cost in USD cash (approx. \$45-\$85).

Evenings at the camp will feature a high energy program which consists of music, contests, games, and guest speakers. At the end of the six days we will board the buses and head home, usually arriving about 5:00 pm (teens will have a chance to call home from the border and give an ETA).

An information letter with medical permission form, contact numbers and more complete list of activities, necessary items, and departure times, will be sent out to registrants in early February.

Please return this form with your deposit to your local Campus Life Staff: Suzi Higgins, Shane Wiebe, or Grant Dodson. Contact information can be found on the inside of this brochure.
